

This year we celebrate 131 years of welcoming Juneau into community, sanctuary, and worship; on August 9th, 2026, we consecrated our church and made the final payment on our long-term debt, completing the rebuilding after we lost our beloved old building to fire in 2006. We are so very grateful to so many who have helped us financially and otherwise.

However, as we recruit a new rector, we need to demonstrate that our institution is on a stable financial foundation.

Our pledge goal for 2027 is \$155,000; this is \$30,000 more than our 2026 pledges.

We ask for your increased support because:

- Past pledges haven't met expenses; we have been kept solvent by extremely welcome interventions by a few individuals, and we can't confidently demonstrate financial stability.
- Holy Trinity is not immune to inflation, which nationally has increased costs by 29% since 2020. Over the same period, pledging has been variable but not consistently on the rise.
- New clergy must be paid the going rate; we can't expect our clergy to work for less.
- Our leadership transition must be supported by a prudent financial position. We can't expect to recruit top talent with a marginal balance sheet.

Why pledge? We recognize that there are parishioners who give reliably and choose not to pledge. We are grateful for every gift and for all the other ways that parishioners support our missions, but pledging is the form of giving that can be confidently budgeted and that demonstrates the financial stability of our institution.

Help us thrive for the long term.

It takes all of us. Every pledge matters, no matter the size. Please pledge today.

Scan the QR code, return the 2027 pledge card, or pledge online at TrinityJuneau.org to make your pledge for 2027.
